

FOR THE ONE

JUNE 2024 UPDATE

At the time of printing this update, there were already over 50 people on the waiting list for therapy at FTO Counseling. God has been faithful in helping with all the details leading to the July 1st launch date. FTOC is fully staffed with a loving, trained, licensed team; they are ready to love and help people move toward healing!

Come and see! On Sunday June 30, we'll have a come and go opportunity where you can walk through and pray over the space and the people who will find help there, and celebrate what God is doing! And the very next day, let the healing work begin!

FOR THE ONE COUNSELING WILL OPEN JULY 1

Mental Health is the #1 problem affecting our city, both inside and outside the church, and inside and outside people's homes. We are grateful to provide space for conversation and help for this growing problem.

FOR THE ONE
COUNSELING

OPEN HOUSE | June 30, 10-2p

6180 Mae Anne Ave STE 5

FOR THE ONE IS THE BIGGEST THING WE'VE EVER TACKLED, making this God-sized initiative all the more exciting to see come to life.

The first and primary goal of For the One has always been engagement. Our goal is to help people grow closer to God by increasing understanding of God's position in our lives. He gets first place. As we pray about what that means, we will follow Him in a more wholehearted way, leading to greater impact for the Kingdom. We are seeing that happen in the people of Grace. There's a cross-generational renewed energy and commitment around here and that's great to be a part of!

LINDSEY BOSTON

Lindsey Boston shared very private parts of her story, including her struggle with suffering and suicidal ideation. She also shared how through time with God and therapy, she moved through those thoughts toward Jesus. She also shared how For the One helped her and her husband Shawn take that final step of surrender through generosity.
