NEW SERIES COMING IN OCTOBER

As we move closer to the one-year refresh of For the One, we're excited to take a good look at what God has done so far through For the One, and what He will continue to do.

Pastors Dan and Shane will launch us into a new study called "Stories from the One."

We'll study parables and sermons from Jesus, and engage with God during this season.

STORIES FROM THE ONE

FOR THE ONE IS THE BIGGEST THING WE'VE EVER TACKLED,

making this God-sized initiative all the more exciting to see come to life.

The first and primary goal of For the One has always been engagement. Our goal is to help people grow closer to God by increasing understanding of God's position in our lives. He gets first place. As we pray about what that means, we will follow Him in a more wholehearted way, leading to greater impact for the Kingdom. We are seeing that happen in the people of Grace. There's a cross-generational renewed energy and commitment around here and that's great to be a part of!

Cece's Story

Cece told a powerful, vulnerable story about losing her sister right before the launch of For the One. She shared about the hope she has knowing that God is in control. She's so grateful He has called Grace to the mental health space!

"God's brought me to a place to completely release control."
