

FOR THE ONE

MARCH 2025 UPDATE

For the One is the biggest thing we've ever tackled, making this God-sized initiative all the more exciting to see come to life.

The first and primary goal of **For the One** has always been engagement. Our goal is to help people grow closer to God by increasing understanding of God's position in our lives. He gets first place. As we pray about what that means, we will follow Him in a more wholehearted way, leading to greater impact for the Kingdom. We are seeing that happen in the people of Grace. There's a cross-generational renewed energy and commitment around here and that's great to be a part of!

UNR PARTNERSHIP

We're partnering with the University of Nevada, Reno to increase access to care in Northern Nevada.

Grace Church gave \$500,000 to fund Mental Health Externships and Scholarships. God is moving in our city!

This money will place six PhD students in the city providing care starting this Fall and will also help graduate students get through school faster. Both together will increase access to mental health care this year and for years to come.

FOR THE KINGDOM

For the One includes all the work that Grace does to move people toward Jesus and each other. For example, over 400 students from all over the region came to 1 Conference! They leaned into Jesus, some for the very first time, and over 100 students came to the For the One Counseling breakouts. Such great wins for the Kingdom!

For The One Counseling

On July 1, FTOC will have been open one year. To date, therapists have had over 2,300 sessions, helping people find hope and healing.

KRYSTA'S story

God uses each of us to draw people to Himself. When Olympian Krysta Palmer's friend wanted to go to church, Krysta knew Grace was the right place.

Now both Krysta and her friend have found home here. [Watch her story here.](#)
